1. This consent shall be filed in duplicate with the Regional Director (Compliance), Bureau of Alcohol, Tobacco and Firearms, of the region where the premises covered by the bond are located.
2. The name, including the full given name, of each party to the consent shall be given to the heading, and each party shall sign the consent with his signature, or the consent may be executed in his name by an empowered attorney-in-fact.
3. In the case of a partnership, the firm name, followed by the names of all its members, shall be given in the heading. In executing the consent, the firm name shall be typed or written, followed by the word "by" and the signatures of all partners, or the signature of any partner authorized to sign the consent for the firm, or the signature of an empowered attorney-in-fact.
4. If the principal is a corporation, the heading shall give the corporate name, the name of the state under the laws of which it is organized, and the location of the principal office. The consent shall be executed in the corporate name, immediately followed by the signature and title of the person authorized to act for the corporation.
5. If the consent is signed by an attorney-in-fact for the principal, or by one of the members for a partnership or association, or by an

officer or other person for a corporation, there shall be filed with the consent an authenticated copy of the power of attorney, or a resolution of the board of directors, or an excerpt of the bylaws, or other document, authorizing the person signing the consent to execute it for the principal, unless such authorization has been filed with the Regional Director (Compliance), Alcohol, Tobacco and Firearms, in which event a statement to that effect shall be attached to the consent.

6. The signature for the surety shall be attested under corporate seal. The signature for the principal, if a corporation, shall also be so attested if the corporation has a corporate seal; if the corporation has no seal, that fact should be stated. Each signature shall be made in the presence of two persons (except where corporate seals are affixed), who shall sign their names as witnesses.

7. If any alteration or erasure is made in any consent before its execution, there shall be incorporated in the consent a statement to that effect by the principal and surety or sureties; or if such alteration or erasure was made after the consent was executed, the consent of all parties thereto shall be written in the consent.

8. After approval of the consent, a copy shall be returned to the principal.
